SECRET/SECURITY OF THE TION

25	X	1	F	۷

Bulgaria has imported nitrogen fertilizers from Eastern Germany; owing to the new Bulgariam; lant, however, fertilizer is to be omitted from the 1952 agreement.

- 6. Razor blades are manufactured in Bulgaria but are of poor quality.
- 7. The railroad line from Sofia to Burgas has been under construction for thirty years and is not yet completed. The bottleneck is the construction of a tunnel through the Koznica Mountains, about 100-150 kilometers from Sofia.
- 8. The official exchange rate in Bulgaria is 300 leva to the dollar. The black market rate is 1,000-1,500 leva to the dollar.
- 9. An unskilled factory worker earns from 8,000 to 12,000 leva per month, skilled workers 12,000 to 20,000. The standard work week is 48 hours. The Minister of Foreign Trade receives a salary of 40,000 leva per month, an average Government employee 8,000 to 15,000.
- 10. A pair of shoes costs 6,000 to 7,000 leva, one meter of woolen cloth 6,000 to 7,000 leva, a kilogram of bread 80 leva. Clothing is scarce and expensive. Most of the people can afford meat only once or twice a week. To live comfortably, without any luxuries, a worker needs a salary of 30,000 leva. With a salary of 8,000 to 10,000 leva, he is hungry.
